You're officially registered for Hacktoberfest 2021! Here's all [the information you'll need to help get you started](#).

A great place to start is our [Resources page](#), which breaks down the fine print for this year's event. If you'd like to link up with other local Hacktoberfest participants, head to our [Events page](#) to see what's happening virtually. For answers to any common questions you may have, take a look at our [FAQs](#).

Make sure to spread the word about *#Hacktoberfest* across your social media channels to help get others involved! You can help us make Hacktoberfest carbon neutral this year, by choosing to plant a tree in [DigitalOcean's Forest](#) rather than receive a commemorative t-shirt.

Share your Hacktoberfest journey by writing about your contributions on the [DEV Hacktoberfest tag](#). DEV is a community visited by millions of

programmers who are sharing their work to make others better.

Happy hacking,

Hacktoberfest Team @ DigitalOcean
